Additional Information

- All classes take place at the Creativa Event-Area (Messe Zürich, Hall 7)
- “Good things take time”! Your objects will be glazed and fired at 1000 degrees Celsius after the workshop.
- They will be ready for pick up at fire-works.ch in Dübendorf starting October 17.
- All our high-quality ceramic objects are manufactured and purchased directly from small manufacturers in Italy, our underglazes are produced by Hobby Colorrobba in Italy.
- All our pottery is dishwasher proof.
- No previous experience required! We teach super fun and easy techniques ...amazing, creative results guaranteed.
